LITERACY	NUMERACY	ICT	WORLD AROUND US	PDMU	PE
<p>Reading – at least 20 minutes per day (book of your choice).</p> <p>Spellings – Revise all 8 weeks.</p> <p>Comprehensions – 6 per week contained within AQE practice papers</p> <p>Sumer holiday crossword</p> <p>Grammar/Punctuation</p> <p>Summer English Activity book</p>	<p>Tables: pages 22, 23 & 24 of revision booklet contained in pack you received late March.</p> <p>Mental Maths – Times table challenge</p> <p>Mathematics & Numeracy</p> <p>Summer themed Math booklet</p> <p>*Maths investigations: The Monkey Mystery The Mystery of the Cinema Suspects</p> <p>*Revision work based on outcome of Practice Papers. Use revision</p>	<p>June ICT project</p> <p>Use this week to complete your ICT project if you have not finished it:</p> <p>Using PowerPoint or iMovie create a short film or presentation of some of your memories of lockdown. You might decide to include photographs of some of your TOW activities, favourite games that you played or things that you did with your family. Remember this project isn't due until Friday 19th June. Take your time as you also could include photographs or text about being able to meet with family or friends at a safe social distance.</p>	<p>Topic: Exploring Our Natural World</p> <p>Have a look back at our planners and complete any WAU activities that you have not yet had time to do.</p>	<p>Lockdown Diary</p> <p>These are very strange times we are in. It is normal to have a range of emotions each day. Use the lockdown diary to capture some of your thoughts. This will take several weeks to complete.</p>	<p>Outdoors – This week we would have been playing lots of games outside like rounders or cricket. Gather your family to play some outdoor games.</p> <p>Indoors</p> <p>*Go Noodle (link below) *YouTube Joe Wicks work outs and dancing with Oti Mabuse.</p>

	work examples from pack, plus revision tables booklet and online resources, such as Twinkl, to provide revision work to consolidate learning.	p6@andrewsmps.com
