Keep practising blending the sounds.

At the end of the word fish is the 'sh' sound. Sometimes when two letters are together they make a different sound. Have a go at the worksheet on the website.

Reading:

Read 'The big carrot': There are reading activities to complete afterwards.
(You will need to log in to Oxford Owl. The website is free but you need to register.)

There are some activities to complement the books.

There are 2 books this week. However, there is also a non-fiction book which gives information about fish in the World Around Us work this week. You could have a go at reading it.

Writing:

Keep practising your high frequency words on a whiteboard, with water and a paintbrush or just on paper.

There are some worksheets to complete on the website for some of your high frequency words.

Can you draw a picture and write some facts about fish? We'd love to see your work!
