

## Building a Legacy

10 May 2021

Dear Parent

It is with great excitement that I can announce the restart of teacher-led after-school sporting clubs.

Here at Andrews we pride ourselves on our ability to provide our children with many opportunities to develop their sporting skills. This year has been extremely tough not being able to do this and I know the children and staff have really missed it.

The restarting of the clubs does come with certain restrictions that we do have to follow to maintain the safety of all involved, as the safety of the children and staff are of the highest importance.

### Safety considerations:

- *Clubs will only be available to P7 children and numbers will be capped at 20*
- *All clubs are open to boys and girls (playing together)*
- *Each club will be taken within current P7 class bubbles*
- *Please bring appropriate outdoor clothing ready for all weather - all sessions will be planned for outdoors*

Parents can be assured that all equipment that is used during the sessions will be sanitised after use.

I am sure that the children cannot wait to get going and rest assured the staff will ensure that their safety is paramount.

Mrs Sims  
PE Coordinator

## Building a Legacy
